

FASCIAL FREEDOM THERAPY CUPPING MASSAGE

Dates: Thursdays, September 21st & 28th, & October 5th & 12th, 2017.

Workshop hours: 24 Education Hours (24 Continuing Education hours for Nevada. Please ask regarding CE's for any other state or organization as there are many.).

This course will present a wonderful massage tool, soft silicone cups, that allow an extraordinary level of effectiveness combined with a increased ease of practice for many of the most common complaints in body therapies today. This is an Extraordinary MASSAGE TOOL Class.

This course will focus on Silicone Cups as a Massage Tool with Fascial applications (Fascial Freedom Therapy), Nerve pain and pathway applications (Sciatica and Brachial Plexus disorders), Muscle and Athletics applications, fluid-oriented flushing treatments, and safe application of cups for pain-relief and detoxification purposes for health and athletics. Safety and cupping "marks" will be carefully considered.

The effects of this style are quite extraordinary as the decompressive effects of cup applications stand in stark contrast to the compressive effects of standard massage. These decompressive effects dramatically hydrate local tissues, often clearing a wide range of challenges, and have a very powerful potential positive effect on nerve pathways. ***This use of cups has been called "reverse deep tissue".***

(Note: For those who are familiar with cupping styles and uses such as "fire-cupping" (not allowed in Massage) or Asian style cupping, this is a **massage-tool style** for the massage industry,

NOT RELATED TO OR ARISING FROM ANY OTHER TYPE OR STYLE ASIDE FROM MASSAGE TOOLS)

Cost: \$300.00 with Registration by September 14th , \$400.00 thereafter.

Also requires a Lab Fee of \$89.95 for 2 cup sets. If you already own cups, please bring them with as that may allow a reduction or elimination of the lab fee if you do own the appropriate sets of cups.

•Seminar Details and Schedule•

• Thursdays, September 21st & 28th, & October 5th & 12th, 2017 • 9:00am-4:00pm (2-15 minute breaks plus lunch @ 12:00-1:15)
