“ (I) have enjoyed this program to the fullest...I truly (found) my grounding and what has been missing from my practice for years. Thanks so much!
 — B.S. (Fundamentals, '18)

I am walking away with more confidence as a practitioner, with more tools to help those who come along on my path...
 — T.R. (What If They Cry?, '16)

“In every culture and in every medical tradition before ours, healing was accomplished by moving energy.”

HANDS ON TREATMENT PROTOCOLS — LEVEL I

As ancient as it is contemporary, the study and practice of Energy-Medicine is experiencing a surge of interest across the world. This practicum offers beginning level Energy-Medicine treatment protocols to the hands-on practitioner in the bodywork, care-taking, or therapeutic communities. All techniques are suitable for locations in office, residential, or home settings.

PREREQUISITE: For approval to enroll, this workshop requires a practiced knowledge of the Energy-Medicine Chelation Technique. **See Registration box below.**

THE 4-DAY WORKSHOP CURRICULUM INCLUDES:

- Training in hands-on Energy-Medicine techniques to support a vibrantly health energy system in others
 - Functional anatomy of a living energy system; chakras, the aura, energy channels, energy movement, energy fields
 - Sensory awareness training to perceive living energy systems
 - Practical skills in maintaining personal energy system health
 - Foundational skills in establishing and facilitating a Healing relationship

As with any class with Beth Stein, individual skill sets will be met by instruction that will further each participant’s personal learning level.
