Quantum Integrative Healing

Core Quantum Explorations from The Quantum Light Energy-Medicine course

"Indeed, the evolution of nothing into a full-fledged player in the universe stands as one of the single greatest paradigm shifts in human thought." K.C. Cole, The Hole in the Universe, 2001

"Consciousness is light. And it comes in full-quantum states." John Demartini

Bibliography: "Emptiness Dreaming" Bill Bauman, PH.D

Instructor: John M Thorpe, RCST®, BCST, BCTMB, LMT, FSL (Rev.)

~Early enrollment discount for this course is \$50 off if enrolled by March 31st, 2022 (see below).
NV LMT CE's available.

~This course integrates beautifully into any bodywork/touch therapy, any Energy therapy or style, and verbal therapies; Psychology, Social Work, Life Coaching, and Spiritual Counseling or Ministry.

Dive into Quantum reality - delving into Quantum Consciousness, where we explore the Evolutionary nature of Quantum Healing with Emotional and Heart evolutionary processes.

In getting ready we use integrative resourcing to aid our journey. While no experience is necessary, do bring along any energy healing techniques, crystals and any portable resources that you think may aid you in feeling comfortable and well resourced.

Then after we dive deep... we go deepest. We go wayyy beyond All Things, into Quantum Void, to sit in and see from the pure creation, boundless intelligence & vast healing wisdom that awaits those brave enough to attend this gentle immersion into No-Thing-Ness.

April 23rd, 24th & 25th: 9a to 4p with a 1-hour lunch from 12n to 1p. Wear comfortable clothes and bring a sheet or twin sheet-set for a Massage table. And bring anything else you need, water, food, blanket, pillow etc., for your comfort during seated learning, guided meditations either lying or seated, and massage table-based processes.
